STIPULATED ORDER OF COMPETENCY

On January 9, 2015, this Court issued an Order committing Defendant to the custody of the Attorney General of the United States, pursuant to 18 U.S.C. §§ 4241(a) and 4241(d), to determine whether there was a substantial probability that in the foreseeable future the defendant would attain the mental capacity to permit the trial to proceed. On September 23, 2015, Richart L. DeMier, Ph.D., Clinical Psychologist at the U.S. Medical Center for Federal Prisoners in Springfield, Missouri, completed his Forensic Psychological Report of Defendant. The Court hereby takes judicial notice of the Forensic Psychological Report prepared by Dr. DeMier, and adopts the medical conclusions therein. [Doc. 71]. Dr. DeMier concluded that Defendant is competent to stand trial in this matter. The parties have reviewed the report, and Defendant and the United States agree that Defendant is competent to proceed to trial in this matter pursuant to 18 U.S.C. § 4241.

IT IS THEREFORE ORDERED that Defendant, Ruben Cantu, is competent to proceed to trial.
